School Front

A school, like an individual, in time developes a personality, a distinctive atmosphere, which impresses itself upon its students and largely determines their general attitude. A school aids in molding their character for all time. Few educational institutions have had a better chance to develop a distinctive personality than Muncy; for the Muncy of today, as the general theme of this annual has endeavored to show, is the product of a rich background of excellent schools. Let us always remember that these stout walls are not held together with mortar alone, but with the tradition that Muncy has always had fine schools; and someone once said, "Muncy is a tradition."

Editor—GERALDINE TILBURY

Foreword

The theme of the 1958 CANUSARAGO is the long succession of institutional schooling in Muncy. Through its history of education, Muncy has fostered many different schools. In this sixteenth edition, we have attempted to show the various stages of education from 1799 to the present period of construction. These stages present a picture of the increasing development from the small log cabin school to our present high school.

We would like to extend grateful acknowledgements to the following people for their service, time and patience, understanding and guidance which they have given to our class in presenting this issue: our advisor, Mr. Stanley Schuyler, for sacrificing his own time in order to help us; our photographer, Mr. James Minnich; Jay Schoch, for his excellent art work; Mr. Barnard Taylor, for advice; the *Luminary*, for help in research; the faculty, for their patience and understanding; the merchants, for their financial aid in the purchasing of advertisements; and especially to YOU —the reader, for it is you who make our efforts fruitful.

Dedication

MISS BESSIE M. LONG

THE CLASS of 1958 is happy to dedicate their yearbook, THE CANUSARAGO, to Miss Bessie Long.

Everyone in the school has an appreciation and esteem for Miss Long's "touch" which is apparent at whatever she does—from maintaining a neat and orderly class room, to her unmatched skill at decorating our stage for important events.

The girls, in particular, are grateful not only for her help in solving the problems of homemaking, the most important of all jobs, but also for her guidance and direction.

The usual "drab" and "dreary" of the school day is made brighter by the charm and graciousness of our Miss Long.

CLASS HISTORY

As we met for the first time under the leadership of Mrs. Dice and Miss Koons, we found everything new and exciting. This year we participated in the Rhythm Band, which was led by Janet Edwards. We also made an oatmeal and a shoe box train for our Valentines.

The teachers who led us through our second year were Mrs. Hoffman and Mrs. Goodenow. During this year the boys began to notice girls. Playing prison proved this point clearly. Joining us this year were: Thelma Hawk, Emma Malloy, and Gary Allen.

As we moved on to the third grade we were greeted at the door by Miss Shook and Mrs. Stahl. We spent time learning higher arithmetic and other interesting subjects. We ended this year with a picnic held at Mrs. Stahl's house. Willie Chase joined our happy group.

Climbing the stairs for our next year was new and exciting. We were welcomed by Mrs. Fry and Mrs. Smith. This year Dale Schenck joined us.

Our fifth grade leaders proved to be Miss Griffith (Mrs. Ritter) and Miss Keener. This was our first year for changing classes. Many of the students joined the Glee Club and were pretty proud of themselves.

Sixth grade brought on some romances. A few of these being: Mary Ann Edgeworth and Ralph Hitesman; Ann Schooley and Bill Sommers; Alyce Parsons and Ronnie Fry; Dianna Fry and Don Mitcheltree. Our teachers were Mrs. Stine and Mr. Douty. This year Jim Kennedy and Jim Schneider came to our school.

An exciting new year started out with our homeroom teachers as Miss Withers (Mrs. Blair) and Mrs. Arthur. Getting into the habit of changing classes six times a day was fun but quite confusing at first. The Pennsdale group joined us this year.

Eighth grade doors were opened to us by Miss Waldron and Mrs. Houk. This year Doris Blair and Gail Bryfogle were elected to be members of the Junior High Cheerleading Squad. We also took tests to determine the course for which we were best suited. Gloria Weaver and Joyce Brittain joined our class this year.

Ninth grade was a busy year, with Miss Zimmerman and Mr. Schuyler leading us. Doris Blair was elected May Princess. This year we were graduated into the Senior High School at Commencement. The American Legion Awards went to Eldon Reed and Mary Geist. The Poetry Awards went to Gloria Weaver and Donald Mitcheltree. Many of the boys were sports minded this year.

This year we entered tenth grade or Senior High School. The class elected officers who were: President, Eldon Reed; Vice-President, Mary Geist; Secretary, Lois Banghart; Treasurer, Ronnie Fry. During this year we joined clubs and participated in many school activities. Four new students were added. They were Joanne McCoy, Walter Prince, Bill Zimmerman, and George VanDine. This was the year a lot of the boys and girls started to drive and this was OK with us.

Our Junior year was high-lighted by the receiving of our class rings, hats and pennants. Our class presented the annual Junior Class Play, which was "Cupid in Pigtails." The play was directed by Mr. Myers. Linda Boak and Artie Johns came in with our small, but highly activated group this year.

Our last step upward was led by Mr. O'Boyle and Mr. Warren Maurer. Mr. Schuyler took over as Class Advisor after Mr. Houk, our former advisor, went to another school. The annual magazine drive was successful. On December 5th we presented the annual play called, "Finders Creepers." Nancy Musser, this year, represented us at the Flaming Foliage Festival. Our class officers were the same as always with the exception of secretary, who was new, Nancy Musser. That is our twelve years at Muncy High, the best years of our lives.

CLASS WILL "1958"

We, the class of 1958, wish to leave lasting memories to future Seniors, of the Muncy Joint Schools. This being the case, we declare this our last will and testament.

We will to the girls of the Junior Class Alyce Parsons' shape. The boys of the Senior Class want the boys of the Junior Class to have a look at true form.

Joyce Brittain wills her size 5½ shoes to Kathy Walen. We hope it won't be too tight a squeeze, Kathy.

Joanne McCoy wills her bashfulness to Jerry Johns in hopes he will make good use of it when dating.

Kent Rager leaves his seat in typing class to Dale Hessler. "By the way, the ribbon needs changing."

Gloria Weaver wills her ability to go to school, work, date, and still be able to stay awake in class to any sleepy Junior who can use it.

Phyllis Booth wills her bobby pins to anyone who might need them.

Jim Schneider wills his ability to hook school without getting caught to Bill Hughes. Maybe he needs it.

Eldon Reed wills his nickname "Boo" to Dick Williamson. One slight alteration Dick, please pronounce it as a long "o"—"Boo."

Bill Sommers wills his beastly pranks and jokes to Terry Schwenck. We hope you'll have as much fun as Beast had.

Warning to all teachers! Bill Zimmerman wills his ability to find mistakes made by the teachers to any Junior that doesn't value his grades.

To anyone that doesn't want to take French, Larry and Dick Fry will their ability to charm Mr. Gresh.

Mary Ann Edgeworth wills her quiet ladylike ways to Judy Houseknecht. Maybe she can find some use for them.

Donald Mitcheltree wills his stage crew ability to Allen Smith.

Walt Prince wills his height to Paul Auker. How's the weather up there, Paul.

Ronnie Frey wills his hunting season illness to any Junior who wants to hunt and come back to school with a blue admission slip.

George VanDine wills his brains to any Junior who is smart enough to figure out how to use them.

Phyllis Crawford wills her worn out chewing gum to Miss Long. Don't stick it under any desk when you're through with it, please.

Ruth Ann Lowe leaves her position as Business Manager of the Yearbook open to any Junior who wants it.

Robert Girven wills his prize winning ability at the farm show to Arlen Swartz.

To any girl who has diet problems, Celia Fenstermacher wills her ability to eat heartily and stay thin.

Susie Brown wills her Ford to Mrs. Viracqua so she will have a way to get to Millville every night.

Nancy Dewald wills her ability to put lipstick on without a mirror to any Junior who can't find her lips.

Gangway! Here comes Dave Fry, Mary Ann Allen has just willed him her driving habits. See if you can talk your way out of as many tickets as she has.

Linda Boak wills her bottle of peroxide, for lighter and brighter bangs, to Pat Temple. For your bangs only, Pat.

Emma Malloy wills her freckles to Mr. O'Boyle.

Jim Kennedy wills a dull church key to Sam Walker. Don't use it too often, Sam.

Doug Shoemaker wills his smile to Mr. Sauers, and his seat in the Student Council to any tactful Junior who wants to give it a try.

Rita Pidgeon wills her red hair to Judi Carter. Now you can stop dyeing your hair, Judi.

Geri Tilbury wills her "Do it yourself hair-do kit" to Joan Martin. See if you can do any better than Geri did with it. We know you can make good use of it.

Mary Webster wills her ability to hook school and get a blue slip and not get caught to Kay Balliet.

Miss Leffelaar isn't quite tall enough to handle the Ag. boys, so Ann Schooley is willing her her height. We hope this will bring results.

Nancy Musser bequeaths her "golden blonde locks" to Barbie Book. We certainly hope you appreciate it, Barbie, because they are a treasure to be cherished.

To Bob Flayhart, Gary Allen wills his intestinal fortitude (courage).

It seems every Child Care Class Ruby McCoy gets called on quite often. She wills this blessing to Sandy Schooley. You have our condolences, Sandy.

Janet Edwards wills her natural curly hair to Connie Bair. No more pin-ups at night, Connie.

Jack Patrizio wills his job as head of the tablet and pencil distributors to Dave Youtz. And Dave, please don't hook any tablets or pencils.

Dick Rhone hit the jack pot. Artie Johns wills him his Pepsodent smile. And in case of girl troubles, Tom Stutzman wills him his ability to play both ends against the middle, believe us, he has the ability.

Dianna Fry wills to Mr. Schuyler her trim waist line.

Dale Schenck wills his sour notes on the trombone to John McCarthy. After all John, he has to get rid of them some time.

Willie Chase doesn't will anything to anybody as he can't afford to give anything up.

We hope everyone is pleased with what they were willed, and those who aren't well, they will just have to pass it on to someone else. With this we, the class of "58", close our last will and testament.

CLASS MOTTO

The ropes of the past shall ring the bells to our future.

ALMA MATER

Hail to Alma Mater dear,
Spread her fame in accents clear,
Shout her glory to the skies,
Tell the praise of dear old Muncy.

May our hearts be ever true,
To the colors white and blue,
Muncy High School, here's to you—
Hail to Alma Mater, Hail.

SCHOOL SONG

Here's to our dear old Muncy,
Praise to her colors true,
Junior and Senior High School,
Hail to the white and blue,
Rah! Rah! Rah!

Good times we had about her,
Sad times occasionally too,
But when it comes to good schools,
Oh! Muncy we're for you.

CLASS PLEDGE

We, the class of nineteen hundred fifty-eight, with the help of God, promise to set good standards for our future life. These standards will be formulated from the ideas we have received from those with whom we have associated during our school years.

We are leaving Muncy High School with the idea of trying to make a place for ourselves in the world. With this in mind, and with the thought of bettering the generations to follow , we shall endeavor to carry on the duties of useful, worthwhile citizens.

The Junior Class started out their year by working on the project of selling Christmas cards and candles. This annual project made them the richest Junior Class in the history of Muncy High School. The money earned from this project will go toward the class trip, yearbook and various other expenses which will occur during their Senior year. By the way, the Juniors have already been very busy on their yearbook for "59."

The Juniors became officially known as Juniors after they received their hats, pennants, emblems and class rings bearing the inscription of the year, 1959.

Much of the amazing success of the Juniors is due to the fine leadership which they have. Besides a group of capable officers, they have an energetic adviser in Mr. Dietz. He has helped and guided them and has become a familiar figure to the class of nineteen hundred fifty-nine.

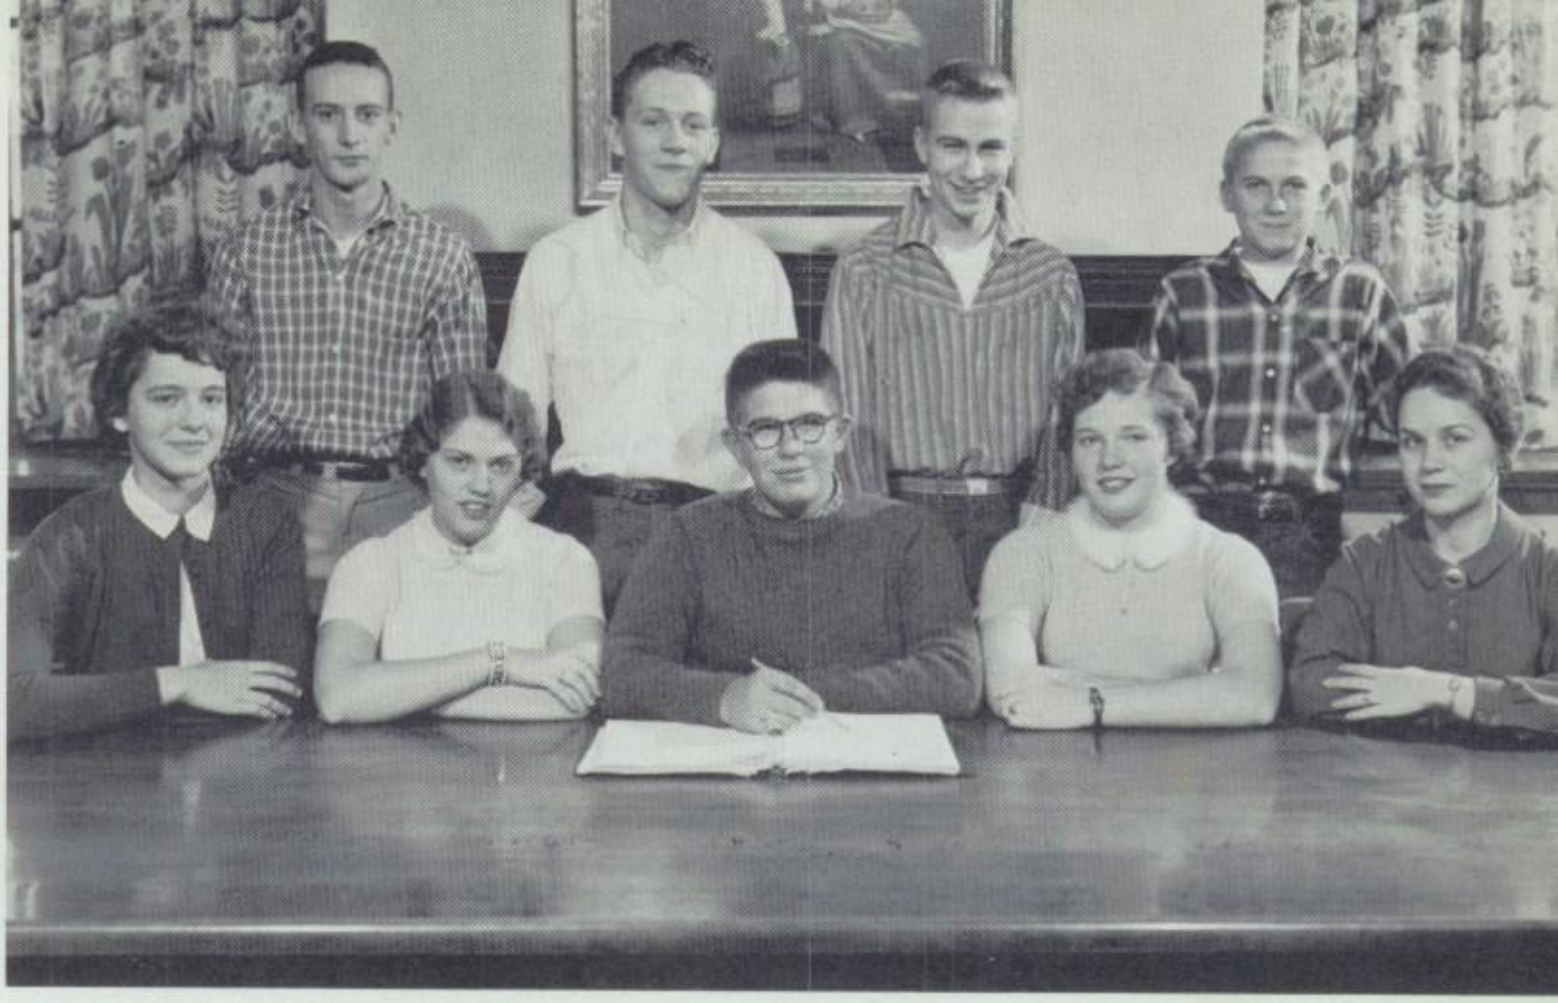
YEARBOOK EDITORS

Left to Right—Eldon Reed, Assistant Editor; Douglas Shoemaker, Layout Editor; Geri Tilbury, Editor.

Late in our Junior year, we entrusted the publishing of our yearbook to the capable hands of Geri Tilbury by electing her Editor-in-Chief. To handle the business end of producing the yearbook, the class elected a capable commercial student, Ruth Anne Lowe, as Business Manager. With the aid of our yearbook advisors, the remainder of the CANUSARAGO Staff was chosen. After many meetings and headaches, we selected the photographer, the publishing company, and the type of printing for our yearbook. Keeping in mind the importance of classroom instructions, the staff did as much of the work as possible after school hours. Through the fine co-operation of the members of the staff and by working many evenings our deadline was met.

We would like to thank our advisor, Mr. Schuyler, who devoted much time and energy in helping us to publish this book.



SCOOP STAFF

Seated, Left to Right—Janis Somerville, Sandra Schooley, Assistant Editor; Douglas Shoemaker, Editor; Kathy Whalen; Miss Leffelaar, Advisor. *Standing* – Eldon Reed, Jack Patrizio, Willie Chase, Dick Fry.

Scoop Staff

The *Scoop* Staff plays a very important part in the school program publishing the news and views of the students. It is through their tireless work that the honor and dignity of the school paper is up-held. The *Scoop* published four editions during the past school term. The last issue of the year, was published by next year's future staff. The advisor, Miss Leffelaar, helped greatly with her friendly advice and splendid supervision.

Senior Class Play

The Senior Class Play, presented on December 5, 1957, was a big success. The three-act mystery-comedy, "Finders Creepers" was enjoyed by its audience, which displayed its approval with outbursts of applause, and uproars of laughter at most of the humor and even some parts that were not meant to be funny.

Much of the success of the play can be attributed to the talented acting of William Zimmerman, who was a lifesaver to the play. During the play there was a catastrophe but Bill filled in so well that it turned out to be the best part of the play. Miss Leffelaar, the director; Mr. O'Boyle, an advisor; the cast, and all who helped to make the play possible did a marvelous job.

The Seniors had fun and enjoyed presenting the play and also, had some wonderful times at practice. It is a happy memory that will linger on for many years to come.

SENIOR HIGH STUDENT COUNCIL

First Row, Left to Right—Mary Ann Lorimer, Joan Martin, Janis Somerville, Lila Lee Hilner, Ruby McCoy.
Second Row—Dick Fry, Allen Smith, Reggie Gardner, James Fetter, Douglas Shoemaker, John McCarthy.

Senior Student Council

The student council was divided into a Junior Council and a Senior Council. The Senior Council is made up of two representatives from the 10th to the 12th grades. It is through this organization that all school-sponsored activities are co-ordinated and approved.

The annual Student Council Convention was held at Hughesville. Three representatives from Muncy went to the convention.

The project of the club consisted of selling Prom Peanuts. The sale was considered a success. From this money, social events such as dances are sponsored.

Junior Student Council

Junior High Council composed of representatives from the seventh, eighth and ninth grades met almost weekly to talk over problems that confront them. They were quite successful in their locker check up. It made pupils conscious of their responsibility for their belongings.

The Council is deeply concerned with pupil behavior in halls and classrooms. They are expending their efforts in making students realize that the school is being judged and will continue to be judged by their actions irregardless of teachers' preachings and parents' teachings.

The Muncy band was under the leadership of Mr. Donald Berninger, new to the faculty this year. This highly active group has been participating in such activities as playing for football games, pep rallies, parades, concerts, and school assemblies. The progress of this organization is due to their constant hard work at rehearsals during the year. Their rehearsals take place before classes during the winter and throughout the summer rehearsals are held in the evenings.

F. F. A.

We started this year with a smaller enrollment in Vocational Ag than usual; however, we have accomplished more larger shop and group projects. We participated in the Fair and Farm Show exhibits and gleaned more than the usual amount of prizes and prize money. In addition, this year we entered Mummer's Parade with a shop exhibit and won some prize money. We will lose only two seniors this year, namely, Robert Girven and Donald Mitcheltree. Thus far this year Dorland Hanford has distinguished himself with total seed sales of over $100.00.

Stage Crew

One of the most active organizations in our school is the Stage Crew. This club, under the direction of Mr. Dietz, a member of the science department, consists of 13 hard-working, efficient, and helpful boys who play a large part in maintaining the high quality of our school productions.

Included in the activities of this group are the supervision, and installation of all lighting effects for all stage presentations; the constructing, painting, setting and changing of all scenery; and the operation of the public address system.

During 1957-58 the Stage Crew successfully staged and provided lighting for the Senior Class Play, Junior Class Play, the Annual Band Concert, Rotary Minstrel Show, Fashion Show, May Day, and all assembly programs.

"M" Club

To the seniors of the Varsity "M" Club, we wish to take this opportunity to express our thanks and appreciation for actively supporting the athletic activities.

As graduating students continue to promote a sound understanding of the objectives and values taught to you by sport participation.

The jackets you have received are a symbol of good sports and of our club. Wear these jackets with honor and the knowledge that you have given as well as received from your school curriculum.

Booster Club

The Booster Club, one of the more active clubs in the school, is under the leadership of Mr. Hughes. Its purpose is to maintain a high interest in sports activities during the year. Buses are taken to most of the "away" basketball games and wrestling matches by this club. The club members decorated the football field and streets and advertised the games during football season. They also sold programs at the home games. This year the club bought large posters for schedules of sports and dances. Officers of the club this year are: President, Joanne Poust; Vice-President, Anne Patrizio; Secretary-Treasurer, Gail Schively.

At Christmas time the girls collected many gifts for needy families at an impressive Christmas program in the school auditorium.

"M" Club

The "M" Club, this year under the guidance of Mr. George Sauers, has revised its Constitution and by-laws. Since this revision it will be increasingly more difficult to gain membership and, most important, more honor will go with the membership of those who qualify.

Librarians

This year there are fifty-four library assistants whose duties are varied. Besides stamping out books, signing pass slips, and filing cards, they also act as student librarians. They help other students to find books and reference material, use the card catalog, and, in general, to use the library correctly. They also learn to replace books on the shelves and to keep the library in order.

A member who acquires 500 points by the end of her senior year will be awarded a blazer.

Under the leadership of its advisor, Mrs. Vivacqua, the G. A. A. has proven to be successful this year.

Sportsmen's Club

This is a universal type club with membership in almost every school, the intent and purpose of which, is to study and promote the best interests of Sportsmen and Conservation of Wild Life and Natural Resources. This club offers many opportunities, if fully exploited, such as Conservation contests, field days, participation in rifle, pistol shoots, camping and picnicing activities. The membership is usually quite large and the club tries annually to help the game commission in a nearby fishing-stocking activity.

Their year's work was climaxed by their appearance in the Annual Spring Concert on the evening of April 11.

Senior High Chorus

The Senior High Chorus, under the direction of Mrs. Jean Delsite, participates in the Christmas Concert and the annual Spring Concert, which was presented April 11. This vocal group also makes trips to nearby communities to present programs for school assemblies. The fifty members of the chorus are chosen from the sophomore, junior, and senior classes.

GIRLS' ENSEMBLE

This relatively newly organized musical organization in school has added much to Muncy's musical program.

The twelve girls presented several numbers at the Spring Concert, chapel programs and at several other musical affairs at school.

Miss Nancy Snyder is the accompanist at the piano. Mrs. Jean Delsite is the director.

Director

Mrs. Jean Delsite has been very active during the past year as she directed the Girls' Ensemble, both the Junior and Senior High Chorus and, in addition, planned and helped direct the May Day Festivities.

Left to Right—Barbara Book, Ann Marie Schooley, Connie Bair, Nancy Musser, Mary Ann Edgeworth, Sandra Frick, Lila Lee Hilner, Ann Gautsch, Linda Maurer, Sandra Alexander, Nancy Snyder, Lois Abbott.

May Queen and Flaming Foliage Queen — NANCY MUSSER

May Queen

Miss Nancy Musser reigned as Queen of the May at the annual May Day exercises. This impressive program was again held on the spacious and beautiful lawn in front of the high school building. Nancy's court attendants were members of the Senior Class.

Miss Musser was also a representative at the Flaming Foliage Festival held in Renovo. Nancy's escort at this affair was Eldon Reed. Mr. Reed was also Miss Musser's escort for the May Day activities. While at Renovo these representatives and their escorts were guests of honor at a banquet and dance and took part in the other activities which preceded the crowning of a Queen.

Seated—May Princess, Lynn Fromm. *Standing, Left to Right*—Geri Tilbury, Alyce Parsons, Ann Schooley, Nancy Musser, Queen; Linda Boak, Mary Ann Edgeworth, Doris Blair.

Cheerleaders

These five cheerleaders contributed much toward the many victories won by Muncy athletes during the school year. These girls were faithful to their teams throughout the sports seasons by leading the students and Muncy fans with cheers both at home and away. They arranged for weekly pep rallies during the football season and had a special rally before the Montgomery game complete with bonfire and snake dance. During the winter sports season they divided their time and talents between basketball games and wrestling meets.

Two girls, Doris Blair and Alyce Parsons, both seniors, will graduate this year. Doris has six years service—both junior high and senior high—and Alyce has two years with the senior high group. Both girls will receive "M" jackets for their work.

Mrs. Vivacqua, girls' physical education teacher, has acted as their advisor and coach during the past year.

Football

Muncy's football team posted a six-three record for the season. The wins were decisive and the losses respectable. The Indians scored 194 points to 87 for their opponents; gained 1786 yards from scrimmage to 1431; completed 35 passes for 711 yards against 24 for 343 yards.

For the first time in years the football squad attended a training camp. Thirty boys and the three coaches attended Camp Nik-o-mahs, near Harlton, for one week in August. Work and fun helped mold a strong team for the ensuing season. The highlight of the season was perhaps the Mill Hall game in which the Indians broke the Shippers' two-year winning streak and, of course, the Montgomery game in which Muncy has won for the sixth straight season. Three games were broadcast, one from Lock Haven and two from Williamsport. Eldon Reed broke the scoring mark for an end in one season at Muncy by catching seven touchdown passes and two bonus points. Gary Allen was high scorer with 48 points.

Twelve seniors on the squad will graduate—eight regulars— leaving three juniors, Engle, Walker, and Rhone as a nucleus for next year's team.

Varsity Basketball Squad

Muncy's last basketball season in the old gym featured many close games. Five contests were lost by a single field goal and the Indians' 7-14 record could have read 12-7 with the help of a friendly basket rim.

Popular favorites were the identical twins, Dick and Larry Fry, who lacked only height in their outstanding play. "Boo" Reed proved to be the floor leader and a high scorer, and Ray Bankes turned in some good box score efforts. Anderson and Engle divided the starting assignments as fifth man and Mitcheltree and Rishel were steady reserves.

Back next season to initiate Muncy's handsome new gymnasium are Lee Anderson, Jack Engle, Kenny Gardner, Rodger Breidinger, Chuck Scott, Bob Flayhart, Dave Fry and a host of promising sophomores. Next year's sophomore prospects from the successful J. V. team are Scott, Opp, Bradburn, Houseknecht, Messerole and Ted Engle. Muncy's new J. V. coach this year has been Paul Gresh and George Houseknecht has again led the varsity. Muncy's basketball fortunes should improve as a taller team will begin play on the spacious floor of a new gymnasium next season.

Wrestling

The Muncy Indians continued to field an unusually strong and successful wrestling team despite having only four regulars from last year's District 4, P. I. A. A. Championship team.

In assuming his new coaching duties, Mr. Maurer spoke of "anxious anticipation, fond aspirations, and cautious optimism" and the need for "unquenchable spirit, hard work, and personal sacrifice." To those who were close to wrestling this season, their reminiscences mark the accuracy of Coach Maurer's pre-season remarks.

With a handful of experienced veterans and a strong aggregation of eager replacements, varsity and junior varsity teams were formed under Coach Maurer and Coach Sauers, respectively. Both teams met with grand success.

Looking back at the calibre of the opposition, the scores, the spirit and sportsmanship of our teams, we are sure that the best traditions of "Dear Old Muncy" have been met and fulfilled. Likewise, great personal gain will accrue to those boys who have been privileged to work, train, and sacrifice for the battles of this past season as they journey on in the greater battle of Life.
